Dear Friend of Agriculture:

On Saturday, June 14, Hinchley's Dairy Farm and the Dane County Dairy Promotion Committee (DCDPC) will be hosting the 46th Annual **Dane County Breakfast on the Farm**. We are excited and proud to host this year's event. We expect more than 5,000 people to attend this year's event and invite you to be part of the excitement!

The DCDPC mission is to educate families about dairy foods and dairy farming in Wisconsin. Proceeds from the Breakfast on the Farm are used to fund scholarships for students pursuing a career in agriculture, sponsorships and support of other local dairy related events throughout the year, and dairy education through school programs and community events.

Thank you for your support!
